

## **Image Data Sponsors AIIM's Premier New England Event**

Framingham, MA (October 30, 2002): Image Data Inc. of Framingham, Massachusetts recently announced its sponsorship of the New England Chapter of the Association for Information and Image Management's (AIIMNE) upcoming conference, *Technology Trends—Today and Tomorrow*. The conference, scheduled on December 5, 2002, will focus on getting the maximum bang for your 2003 budgeting dollars by focusing on the hottest technology options. Attendees will take away provocative insights from leading technology consultants from Forrester Research; Gartner Group; Giga Information Group and other voices tracking the leading edge.

Founded in 1969, the New England chapter is one of the oldest in the nation. The Chapter currently has in excess of 500 members. The membership is a diverse group that includes, vendors, consultants, end users, project managers, CIO's, records managers, and others. Members in the New England Chapter represent special interest groups of all types including banking, insurance, engineering, education, marketing, and manufacturing.

"We're very proud not only to be a long-time member of AIIMNE, but to participate at *Technology Trends* in a special way as a sponsor," commented Thomas Bourke, Senior VP of Sales & Marketing. He states, "AIIM, as a whole, best represents the continuum of content management services available and emerging."

Bourke looks forward to the variety of invaluable discussions that will take place at *Technology Trends*. Since 1995, Image Data has worked with companies and organizations around the country in diverse sectors to address their varying needs in document and data imaging, archiving, hosting and storage as well as A to Z data and media conversions. The conference takes place on Thursday, December 5, 2002, from 8:30 AM to 1 PM at the Brae Burn Country Club in Newton, MA.

With offices in Albany, NY and Framingham, MA, Image Data's team approach to customer relationships has yielded high marks in customer satisfaction for initial needs assessment, implementation, and ongoing service contracts. The progressive company culture is project focused, helping companies meet milestones on time and on budget.
